You need guys like Brazil's Bolsonaro for this. Trump would be happy to just reclaim victory and won't do sh*t, unfortunately. Same reason traitors like Comey, Clapper, Brennan, Rice, McCabe, Steele, Strzok, Soetoro, etc. leisurely went on book tours instead of sitting in jail cells.

The MSM doesn't make me think anything. I've been following actual Democrats on social media for years and I know what they think and what they support probably better than they know themselves. They definitely aren't the majority, but they own the cultural drivers, there are a lot of them, and they aren't going away.

Many people thought that getting Obama out of office was going to miraculously solve the problem, but this is not going to be solved by elections alone.

If someone questions you not wearing a mask, we travel in teams and start making citizens arrests (any lawyer pedes here)? BLM Blocking the streets? Start putting them in cuffs! Leftists trying to block someone from giving a speech on college campuses? Tear gas them and put them in cuffs.
